Product Pricing

Your clinic is free to set your retail prices at whatever prices you feel are appropriate. For your convenience, the retail prices on Hill's to Home default to Hill's Pet Parent Nutrition's Manufacturer Suggested Retail Prices (MSRPs). You may leave the prices at MSRP, adjust all the prices by a set percentage against the MSRPs, or adjust prices on a SKU by SKU basis.

Please be aware that the prices you set will be advertised to your clients on the Hill's to Home pet parent portal and the Hill's U.S. Minimum Advertised Price (MAP) policy will apply. If you have any questions about the MAP policy, please send an email to HillsUSMAP@hillspet.com.

In the event that MSRPs change in

- All SKUs that are set to MSRP will be updated to the new MSRPs for your convenience.
- If you have chosen to adjust prices by a set percentage, the percentage will automatically adjust the prices.
- If you have chosen to adjust prices on a SKU by SKU basis, you will need to manually adjust the prices if desired.
